## History

I started my talent career as a vocalist, working with musicians such as Michael League ([Snarky Puppy](#)), Daniel Foose (Lady Gaga), Joe Abba (Jessica Simpson), and many others. I released a [record of original music](#) including musicians Ross Pederson (The Manhattan Transfer, Kener Werner), Craig Akin (Little Embers, Barnaby Bright), and Jay Jennings (Toby Keith).

I love acting for the opportunity to bring stories to life in all kinds of media, collaborating with brands, and fellow lovers of the art and craft of storytelling.

I grew up singing, dancing, writing Christmas shows for family, and imitating voices from Disney movies since I could make noise. My mother tells the story of finding me rocking in my crib in time to the music on the tape player at 9 months old.
