## Personal Statement

I was raised in the Midwest. I love animals and have two cats names Velvet & Butters. I love music & enjoy attending live shows & concerts. I am good in front of a crowd: public speaking or singing. In fact, I recently held the Director of Communications position for a Cancer fundraising non-profit organization and have previously volunteered at the local animal shelter & for Habitat for Humanity.

I am often told I have a great work ethic, am fun to be around, and am a great listener. I have a degree in Horticulture and competitively play pool. My pool team and I recently won the IA state pool championships - Women's Master Division.

Twenty five plus years in customer service, sales, marketing and management are what gave me the drive, motivation, and confidence to open my own VO business: TAK1 Productions. I am willing to travel and work as a "local hire".
